At present, communication for bid and project clarification is provided only between you (the Buyer) and the Providers who place bids on your project. Follow steps below for sending clarification message:

1. Sign in your Buyer account
2. Choose **My Projects as buyer**
3. Click **Open Projects** tab in horizontal menu
4. Locate the project and click on project title
5. Click **Post PMB** button (right below project description)

Note: You are entitled to post your contact details and communicate with Providers directly when you have [Sponsor](#) subscription.
