

Can your ratings be removed and modified

Written by Administrator

Saturday, 28 February 2009 15:57 - Last revised Tuesday, 07 April 2009

As the ratings are important to all users on JoomLancers, you are entitled to give ratings to a Buyer only ONCE for each project. The removal or modification on ratings are not permitted.

Please make sure you carefully review the project implementation before giving ratings to your Buyer.
