In order to add providers into your Favourite Providers list, please follow steps below:

1. Sign in your Buyer account
2. Click **Find Providers** tab in horizontal menu
3. A full list of available profiles will appear
4. Insert your criteria into the Profile search box on the right hand or filter the profile lists
5. In Search result page, check the box next to Providers' username
6. Select tab **Add to my providers** and click **Go**
